Disclosure

RBC Funds, RBC Private Pools, RBC Alternative Funds and PH&N Funds are offered by RBC Global Asset Management Inc. (RBC GAM) and distributed through authorized dealers.

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus or Fund Facts document before investing. Except as otherwise noted, the indicated rates of return are the historical annual compounded total returns including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any unitholder that would have reduced returns. The rates of return for periods of less than one year are simple rates of return. Mutual funds are not guaranteed or covered by the Canadian Deposit Insurance Corporation or by any other government deposit insurer. For funds other than money market funds, unit values change frequently. For money market funds, there can be no assurances that the fund will be able to maintain its net asset value per unit at a constant amount or that the full amount of your investment in the fund will be returned to you. Past performance may not be repeated.

Graphs are only used to illustrate the effects of the compound growth rate and do not reflect future values of any fund or returns on investment of any fund. Growth of \$10K chart shown represents a hypothetical investment of the Fund over the last 10 years, or from the last day of the since inception month for funds with less than 10 years performance history. The chart assumes reinvestment of all distributions and is net of fees.

MER (%) for RBC Funds, PH&N Funds and BlueBay Funds is based on actual expenses for the preceding calendar year or most recent half-year period ended June 30 expressed on an annualized basis, depending on availability of data at the time of publication. Net asset figures include all series of a fund. Fund category is determined by the Canadian Investment Funds Standards Committee (CIFSC).

Quartile rankings and equity style box information are determined by Morningstar Research Inc., an independent research firm. Quartile rankings are comparisons of the performance of a fund to other funds in the applicable Fund category and are subject to change monthly. The quartiles divide the data into four equal segments expressed in terms of rank (1, 2, 3 or 4). The Morningstar Equity Style BoxTM is a nine-square grid that illustrates the investment style of a security. Morningstar information contained herein is proprietary to Morningstar and is not warranted to be accurate, complete or timely.
