Quarterly Commentary as at June 30, 2018

The Fund was launched on January 29, 2018. Investment performance is not provided for a fund that has been available for less than one year.

There are several questions dogging stock-market investors these days, among them whether companies are relying excessively on cheap

funding to bolster returns. The portfolio manager, however, is more concerned about the potential impact of the tariff dispute between the U.S. and China. The unease caused by the conflict has led to increased equity-market volatility that can create investment opportunities for stock pickers.
