

### Investment objective

RBC Canadian Preferred Share ETF seeks to provide unitholders with exposure to the performance of a diversified portfolio of primarily Canadian preferred share securities that will provide regular income and that have the potential for long-term capital growth.

### Reasons to invest

- RPF is actively managed by investment teams with expertise in company-level fundamental research, credit analysis and interest rate forecasting
- Access to a diversified portfolio of rate-reset preferred shares in a single ETF
- Attractive monthly income

## Disclosure

RBC ETFs are offered by RBC Global Asset Management Inc. ("RBC GAM Inc.") and distributed through authorized dealers. Commissions, management fees and expenses all may be associated with investments in exchange-traded funds (ETFs). Please read the prospectus and/or ETF Facts before investing. ETFs are not guaranteed, their values change frequently and past performance may not be repeated. ETF units are bought and sold at market price on a stock exchange and brokerage commissions will reduce returns. RBC ETFs do not seek to return any predetermined amount at maturity. Index returns do not represent RBC ETF returns. RBC ETFs are managed by RBC GAM Inc., an indirect wholly-owned subsidiary of Royal Bank of Canada.

Except as otherwise noted, the indicated rates of return are the historical total returns for the periods including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, commission charges or income taxes payable by any unitholder that would have reduced returns.

This document has been compiled by RBC GAM Inc. from sources believed to be reliable, but no representations or warranty, express or implied, are made by RBC GAM Inc., its affiliates or any other person as to its accuracy, completeness or correctness. All opinions and estimates constitute RBC GAM Inc.'s judgment as of the date of this document, are subject to change without notice and are provided in good faith but without legal responsibility.

If presented, graphs are only used to illustrate the effects of the compound growth rate and do not reflect future values of any fund or returns on investment of any fund. Growth of \$10K chart shown represents a hypothetical investment of the Fund over the last 10 years, or from the last day of the since inception month for funds with less than 10 years performance history. The Top Ten/25 Holdings may change due to ongoing portfolio transactions within the fund. MER (%) is based on actual expenses reported in the fund's most recent Semi-Annual or Annual Management Report of Fund Performance expressed on an annualized basis.
