

RBC Quant EAFE Equity Leaders ETF

RBC Quant EAFE Equity Leaders ETF (RIE.u) is a high-quality core international equity solution developed by our Quantitative Investment team. RIE.u employs a rules-based, multi-factor investment approach to build a portfolio of high-quality international companies that has the potential for long-term capital growth. An innovative approach to weighting and quarterly reconstitution is designed to further enhance risk-return characteristics.

A rules-based approach

RIE.u is managed using a rules-based, multi-factor approach which seeks to avoid companies with low quality of earnings, expensive valuations and slow growth. The result is a high-quality core equity ETF that offers a strategic, well thought out solution managed by a team with three decades of quantitative investment management expertise.
