

RBC Strategic Global Dividend Leaders ETF

RBC Strategic Global Dividend Leaders ETF (RLD) is a globally diversified core dividend solution. Employing an ETF-of-ETFs structure, it invests in units of RBC Quant Dividend Leaders (QDL) ETFs, which own top dividend-paying companies around the world. RLD is a diversified equity-income solution designed to take advantage of global opportunities while managing risk. The strategic asset allocation is determined by the RBC Investment Strategy Committee, made up of senior investment professionals from across RBC Global Asset Management.

A rules-based, multi-factor approach

The underlying QDL ETFs employ a rules-based, multi-factor investment approach. They consist of globally diversified portfolios of high-quality dividend-paying companies with strong balance sheets, sustainable dividends and the potential for dividend growth. By investing directly in foreign securities, QDL ETFs minimize withholding taxes.

RBC Global Asset Management offers a comprehensive lineup of ETFs and mutual funds designed to deliver effective investment solutions to help investors build better portfolios. Our investment solutions are backed by the strength of an experienced investment team at RBC Global Asset Management Inc.

With offices in several financial centres around the world, RBC Global Asset Management Inc. is one of Canada's largest money managers.

Commissions, management fees and expenses all may be associated with investments in exchange-traded funds (ETFs). Please read the prospectus or Fund Facts document before investing. ETFs are not guaranteed, their values change frequently and past performance may not be repeated. ETF units are bought and sold at market price on a stock exchange and brokerage commissions will reduce returns. RBC ETFs are managed by RBC Global Asset Management Inc., an indirect wholly-owned subsidiary of Royal Bank of Canada.

RBC ETFs are available across Canada.
